VTECH ANNOUNCES COMPLETION OF 5TH CMS BUILDING

VTech Contract Manufacturing is pleased to announce that it has completed construction of their 5th CMS building which has become operational as of August 2015.

With the successful launch of the new building, CMS has increased its manufacturing capacity to over 900,000 Sq. Ft. (85,000 m²).

In addition to the larger area, VTech CMS has increased its number of SMT Lines to 24 as well as raising the number of wave soldering lines to 23.

Vtech is a proud to offer the highest quality manufacturing solutions across a variety of markets and we remain confident that our growth and high reputation for support and quality will remain steadfast.
